

JVQ-R2, Reduced Item Version, Adult Retrospective Form

These are questions about some things that might have happened during your childhood. Your “childhood” begins when you are born and continues through age 17. It might help to take a minute and think about the different schools you attended, different places you might have lived, or different people who took care of you during your childhood. Try your best to think about your entire childhood as you answer these questions.

But it is important that you be as honest as you can, so that we can get a better idea of the kinds of things that kids your age sometimes face.
