Positions will be field on a first-come-first-serve basis and although we try to accommodate personal preferences, an alternative may be offered based on availability of hours a candidate is available for and what openings are available at the time of hire. All UNH Employment positions involve various degrees of the following (with or without accommodation): standing, sitting, kneeling, crouching, walking, bending, stooping, turning, pushing, pulling and lifting. Please see the hiring manager for further details about specific jobs. For information on how to request an accommodation please visit Affirmative Action Equity or contact the department's human resource partner.
