

## Discovery Committee Minutes, November 30, 2022

**Present:** Barb White (chair), Kathrine Aydelott (vice chair), Sachiko Akiyama, Christopher Bauer, Sophia Elliott, Lara Demarest, Roger Grinde, Lou Ann Griswold, Catherine Peebles, Sarah Prescott, Laura Upham, Charles Vannette

**Absent:** Tammy Conrad

### I. Welcome and Announcements

Barb noted our last meeting of the semester is 12/14/22 and suggested we hold a hybrid meeting and bring in lunch (for those able to attend) to celebrate the end of the semester. Anyone not able to attend in person could attend remotely. Lara will look into the availability of other rooms in Conant that are bigger than Discovery's conference room, G02.

### III. Discussion

- The Biological Science and Physical Science sections of our [Learning Outcomes](#) webpage is confusing. It is not clear which SLO's are specific to only D-Lab courses. This will be looked into and updated.
- We will move ahead with planning our next meeting to be in person with lunch provided. Lara will let the committee members know the meeting location, (Zoom will also be available).
- Spring 2023 meeting schedule will be 2/1, 2/15, 2/22, 3/8, 3/22, 4/5, 4/19, & 5/3, (5/17 if needed). We will "double up" in February and return to the biweekly pattern to avoid spring break and having our last meeting on Reading Day.

Next Meeting Wednesday, December 14, 2022.

**Meeting adjourned 1:50 pm.**
