

Welcome to UNH Community, Equity, and Diversity!

The Office of Community, Equity, and Diversity (CED) welcomes you to our campus. UNH is a community of students, staff, and faculty representing a variety of experiences and characteristics.

Our Mission

We are committed to supporting and sustaining an educational community that is inclusive, diverse, and equitable. The values of diversity, inclusion and equity are inextricably linked to our mission of teaching and research excellence, and we embrace these values as being critical to development, learning, and success. We expect nothing less than an accessible, multicultural community in which civility and respect are fostered, and discrimination and harassment are not tolerated.

Get Involved

CED programs are an accessible and affordable way to learn more about our own identities and how they influence each of us, both on campus and beyond.

Enroll in a [Social Justice Education Training](#)

The Social Justice Education Training (SJE) is a professional development opportunity for UNH faculty, staff, and graduate students to further their awareness, knowledge, and skill sets on social justice theory and social identities through activities and presentations. There are three programs currently offered through the SJE program: Awareness, Allyship and Action.

Participate in a [Safe Zones Training](#)

UNH Safe Zones is an educational program to raise awareness of Lesbian, Gay, Bisexual, Transgender, Queer, Questioning, Intersex, Asexual, Aromantic, Pansexual, and other (LGBTQIAP+) issues.

Request a [Green Zones Training](#)

The Green Zone program for faculty and staff help foster a better understanding of student veterans' experiences and how their military background may present challenges on campus and in the classroom. Programs are 45-90 minutes in length and can be done virtually or live.
