

The Power of Possible

DONORS CARRY CELEBRATE 150 CAMPAIGN PAST ITS GOAL

At the end of June 2018, UNH's ambitious CELEBRATE 150 campaign ended on a very high note, having surpassed its \$275 million goal and raised \$308 million from nearly 45,000 alumni, parents, faculty, staff, students and friends of UNH. Their contributions supported five priority areas: scholarships, academic and other programs, faculty, research and innovation, and capital projects. Although the campaign

has ended, its impact will be felt for years to come. UNH is deeply grateful to all who gave toward this effort and helped to build a growing culture of philanthropy at the university. The list that follows recognizes those who supported the campaign with cumulative gifts of \$100,000 or more, whose vision and inspired generosity are lighting the way forward for UNH.

UNH marked the end of the CELEBRATE 150 campaign with an event for donors on October 12. Above: Campaign co-chairs Marcy Carsey '66, Lynn Wiatrowski '81 and Dana Hamel '88P.
