# HONORARY DEGREE

## **ROGER W. STEPHENSON '79, '83G**

Prior to his recent retirement, dual UNH alum Roger Stephenson's last posting was as Northeast Regional Advocacy Director for the Climate and Energy program at the Union of Concerned Scientists. In his role at UCS, he worked with analysts and campaign managers to expand the program's outreach and engage UCS supporters, Science Network members, and community leaders to promote state and federal climate and clean energy policies.

Prior to joining UCS full-time, Stephenson supplied consulting services to the organization, building support for meaningful state and national climate and energy policies. As a consultant in behavioral public relations, he has 25 years of experience working with business, government and nonprofit executives on stakeholder relations, coalition building, grassroots organizing and public affairs.

In public service, he served as a special assistant to the Secretary of the Interior and in the White House Council on Environmental Quality. Stephenson also served as national field director for the League of Conservation Voters (LCV), executive director of the LCV Education Fund, senior advisor for Environmental Defense Fund, and vice president for programs at Clean Air-Cool Planet.

He has worked with hundreds of community leaders to inform the public debate on climate and energy through speeches, op-eds and contributed articles. In 2011, he co-authored *Strategies to Accelerate Climate and Energy Action at the Local Level*.

Stephenson earned a B.A. in zoology and an M.S. in wildlife biology from the University of New Hampshire. In addition to all of this, he is an excellent speaker and enthusiastic about his time and experience with UNH.

## Academic Regalia

---

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

### GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

### CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

### HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

- Agriculture — Maize
- Arts, Letters, Humanities — White
- Business Administration — Light Brown
- Education — Light Blue
- Engineering — Orange
- Forestry — Russet
- Law — Purple
- Library Science — Lemon
- Music — Pink
- Philosophy — Dark Blue
- Public Health — Salmon Pink
- Science — Golden Yellow
- Theology — Scarlet

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

### ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

### UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

## Alma Mater

---

New Hampshire, alma mater,  
All hail, all hail to thee!  
Behind thee tow'r the mountains,  
Before thee roars the sea.  
Thy sons and daughters ever  
Thy praises loud will sing.  
New Hampshire, alma mater,  
Accept our offering.

We love thee, old New Hampshire,  
And to the White and Blue,  
Where'er our work shall call us,  
We always will be true.  
We'll ever guard thy honor,  
Bright shall thy mem'ry be.  
New Hampshire, alma mater,  
All hail, all hail to thee!
