HONORARY DEGREE

CHRISTINE McMAHON, '94G

Christine McMahon, '94 MHA, president and CEO of The Fedcap Group, holds a Master of Health Administration from the University of New Hampshire and a BA in psychology from New England College. Nationally recognized for her ability to build innovative and impactful organizations, McMahon's career has been dedicated to breaking down barriers to underserved communities across a wide range of areas, including human services and healthcare programming.

Joining Fedcap in 2009 as President and CEO, McMahon has overseen the organization's transformation from a single-service New York City-based nonprofit to an entity serving clients in more than 20 states with a global presence in the UK and Canada. The Fedcap Group, serving more than 230,000 individuals annually, is dedicated to creating opportunities and enhancing the lives of those facing barriers to economic well-being. Its programs span workforce development, offering job training in high-growth sectors, job placement and post-placement support; educational programs from preschool through post-secondary; health services promoting stable workforce participation; and economic development initiatives aimed at achieving economic equity for individuals and communities.

Before her tenure at Fedcap, McMahon served as senior vice president and chief operating officer of Easterseals New Hampshire.

McMahon contributes her expertise to advising on strategies for enhancing competitive integrated employment opportunities for individuals with significant disabilities, including serving on the U.S. Secretary of Labor's Advisory Committee on Increasing Competitive Integrated Employment for Individuals with Disabilities.

McMahon's contributions have been recognized through prestigious awards such as the Whole Health Heroes by Empire BlueCross BlueShield and Crain's New York Business, the New Hampshire Business Review Outstanding Women in Business Award, the National Easterseals-Lou Lowenkron Award for Program Innovation, the Division for Children, Youth, and Families-Director's Choice Award, and the Riverbend Community Mental Health-Rainbow Award.

The Trustees of the University System of New Hampshire congratulate you on your success and extend our continued good wishes as you enter a new chapter of personal and professional accomplishment.

The faculty and staff at UNH have eagerly sought ways to help you find opportunities to become connected to campus life and to your community of Durham, New Hampshire. We encourage you to carry on this tradition of engagement in the future—in the communities you serve and as members of the University of New Hampshire Alumni Association.

The USNH Trustees would also like to acknowledge the families of UNH graduates for the many ways they have demonstrated their support for you. We understand how important that support is to your success and the commitment it requires. Whether you are a traditional or non-traditional-age student, a graduate student, a veteran, or a first-generation student, the role family and friends play cannot be overestimated.

Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

- Agriculture — Maize
- Arts, Letters, Humanities — White
- Business Administration — Light Brown
- Education — Light Blue
- Engineering — Orange
- Forestry — Russet
- Law — Purple
- Library Science — Lemon
- Music — Pink
- Philosophy — Dark Blue
- Public Health — Salmon Pink
- Science — Golden Yellow
- Theology — Scarlet

UNIVERSITY MACE

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow'r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where'er our work shall call us,
We always will be true.
We'll ever guard thy honor,
Bright shall thy mem'ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

H. F. Moore, Class of 1898

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N'dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the volunteers who served as hosts for today's ceremony.

The University is part of the University System of New Hampshire.
