GRANITE STATE AWARD

PAULINE A. IKAWA '77

UNH has been a central part of Pauline Ikawa's life since she was a child spending time in her father's biochemistry lab in Spaulding Hall and joining the dinners with UNH students that her mother would host in their Durham home.

Ikawa graduated from UNH in 1977 with a degree in botany and plant science. She spent most of her career working for TD Bank and retired in 2017 as vice president of community development.

In the years since her UNH graduation, she has given her time generously to volunteer pursuits for UNH as well as to a range of other organizations. In recognition of her volunteerism, she was awarded the David P. Goodwin Outstanding Neighbor Award, which is given by NeighborWorks of Southern New Hampshire to an individual who shows service and generosity to the community, in 2014.

In 2018, she joined COLSA's development board and served as chair through 2023. She is also a member of the UNH Foundation board of directors. Her family established the Miyoshi and Norma Ikawa Scholarship Fund at UNH, named after her mother and father.

COLLEGE OF LIFE SCIENCES AND
AGRICULTURE DISTINGUISHED
ALUMNI AWARD

MICHAEL PAGLIA, MSc. '02G

Michael Paglia received his M.S. in biochemistry from UNH in 2002. Paglia has spent two decades in biotechnology playing pivotal roles building and motivating process development and manufacturing teams, including having led the early process development and manufacturing of four approved autologous cell therapies.

Currently, Paglia is the chief technology officer at ElevateBio, BaseCamp, a technology-driven company commercializing its enabling technologies, manufacturing capabilities and industry-leading expertise through partnerships to accelerate the development of genetic medicines to treat human diseases. At ElevateBio, he established the process development and manufacturing capability and now leads the advancement of innovative process technologies for academic and industry partners.

Prior to ElevateBio, Paglia was the vice president of CMC operations at Oncorus, and head of technical operations, cellular process development and manufacturing operations at bluebird bio.

Michael also generously supplies consultation and career guidance for ongoing initiatives in COLSA to enhance STEM workforce development initiatives.

TO THE UNIVERSITY OF NEW HAMPSHIRE CLASS OF 2024:

Congratulations on earning your degree from the University of New Hampshire! Your academic achievement is something that you will be proud of for your lifetime. Whether your next step is entering a career track or pursuing advanced specialization in your field, the education you have received from UNH provides you with critical knowledge and skills that will serve you no matter what direction your journey takes you. The Trustees of the University System of New Hampshire congratulate you on your success and extend our continued good wishes as you enter a new chapter of personal and professional accomplishment.

The faculty and staff at UNH have eagerly sought ways to help you find opportunities to become connected to campus life and to your community of Durham, New Hampshire. We encourage you to carry on this tradition of engagement in the future—in the communities you serve and as members of the University of New Hampshire Alumni Association.

The USNH Trustees would also like to acknowledge the families of UNH graduates for the many ways they have demonstrated their support for you. We understand how important that support is to your success and the commitment it requires. Whether you are a traditional or non-traditional-age student, a graduate student, a veteran, or a first-generation student, the role family and friends play cannot be overestimated.

And finally, we encourage you to reflect upon the dreams and aspirations that brought you to UNH, and to seek out and to excel at the many opportunities that lie ahead.

With all good wishes,
Alexander J. Walker, Jr., Chair
Board of Trustees
University System of New Hampshire

CONGRATULATIONS UNH GRADUATES... WELCOME WILDCATS!

Congratulations to the Class of 2024 and welcome to “UNH for a lifetime!” Today you join the ranks of more than 140,000 alumni worldwide as part of an exclusive network that will provide you lifelong social and professional enrichment.

Enjoy this special day! You’ve earned it. Celebrate now, and enhance our Wildcat world in the days to come by staying in touch and sharing your journey as an inspiration to others. Remember, every day is a great day to be a Wildcat!

Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN

The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS

Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS

Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:

- Agriculture — Maize
- Arts, Letters, Humanities — White
- Business Administration — Light Brown
- Education — Light Blue
- Engineering — Orange
- Forestry — Russet
- Law — Purple
- Library Science — Lemon
- Music — Pink
- Philosophy — Dark Blue
- Public Health — Salmon Pink
- Science — Golden Yellow
- Theology — Scarlet

Academic Honors Embellishments

STOLES AND CORDS

Honors Stoles

Stoles are worn by University Honors Program Presidential Scholars, seniors distinguished for 32 credits of Honors work, including a 4–8 credit independent research project (senior thesis) and a cumulative grade-point average of 3.85 or higher, as well as University Honors Program Scholars, seniors distinguished for 32 credits of Honors work, including a 4–8 credit independent research project (senior thesis) and a cumulative grade-point average of 3.5–3.84.

Gold and White Cords

Gold cords are worn by those graduating Summa Cum Laude, seniors graduating with a cumulative grade-point average of 3.85 or higher. White cords are worn by those graduating Cum Laude and Magna Cum Laude, seniors graduating with a cumulative grade-point average between 3.5–3.84.

MILITARY HONOR CORDS

Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

UNIVERSITY MACE

The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION

The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS

The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow'r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where'er our work shall call us,
We always will be true.
We'll ever guard thy honor,
Bright shall thy mem'ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

H. F. Moore, Class of 1898

Program Music

Pomp and Circumstance — Edward Elgar
Star-Spangled Banner — Francis Scott Key
Alma Mater — H. F. Moore, Class of 1898
Procession of Nobles — Nicolai Rimsky-Korsakov

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N'dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the volunteers who served as hosts for today's ceremony.

The University is part of the University System of New Hampshire.
